RESPONSE TO RESTRICTION REQUIREMENT

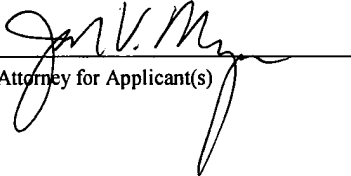

Dear Sir:

This paper is responsive to the Office Action dated January 27, 2006, having a shortened statutory period expiring February 27, 2006. Applicants hereby petition for a one-month extension of time to response to the Action. Please charge the fee of \$120.00 due under 37 C.F.R. §1.17(a)(1), and any additional required fees, to deposit account number 50-2053. Further examination and reconsideration are respectfully requested in view of the amendments and remarks set forth below.

That Action set forth a restriction requirement between Claims 1-20 and Claims 21-23. Applicants respectfully traverse the requirement and would submit that these claim sets are not subject to restriction, as they each pertain to a computer memory system which allows access to virtual memory addresses that have changed based on a new memory mapping. Notwithstanding the foregoing, Applicants provisionally elect the group I claims, Claim 1-20, for further prosecution in this case.

The application is believed to be in condition for allowance and a notice to that effect is solicited. Nonetheless, should any issues remain that might be subject to resolution through a telephonic interview, the examiner is requested to telephone the undersigned.

I hereby certify that this correspondence is being deposited with the United States Postal Service as First Class Mail in an envelope addressed to: Commissioner for Patents, Mail Stop Amendment, P.O. Box 1450, Alexandria, VA 22313-1450, on March 14, 2006.
